Creating Enthusiasm for Service!

February Board Mtg

Early starts, long drives and multiple flights saw your Board of Trustees gather to discuss progress and plans for Al-Anon Family Groups New Zealand. We reviewed the last few months and shared our successes and concerns in service.

16 - 18 January
2026

Enthusiasm in Service:

The February Board meeting was a helpful touchstone for us to check our progress since Conference 2024. Review the requests from our Delegates, share our reports from our respective Selected Committees and discuss what is and is not working. We also set some wheels in motion for the Board Road Trip 2025 which was requested by the Delegates at Conference to be held in Area 4. As soon as we have a date and a location booked we will notify you all. Its a chance for us all to share our enthusiasm for service.

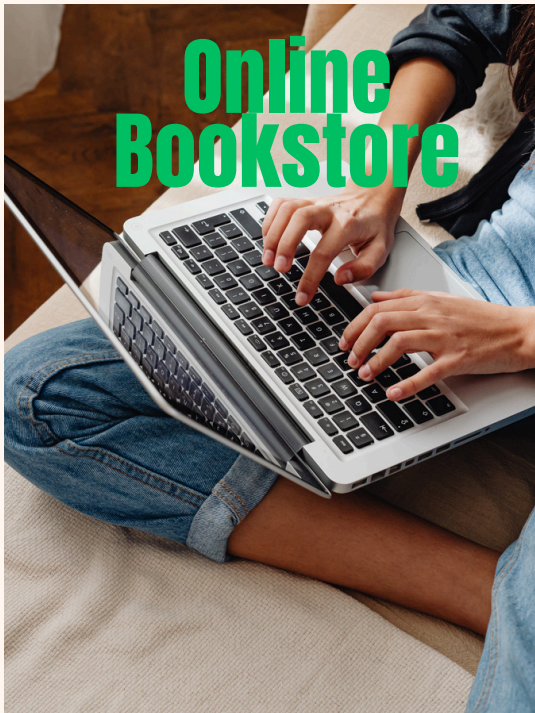

Convention 2026! Start spreading the news, the 63rd AA Convention will be held in beautiful Otepoti, Dunedin at Otago Boys High School. The new Convention Committee are well underway with the theme chosen at Conference 2024 of "Primary Spiritual Aim". Think about travel arrangements, accommodation etc... now and attract your fellows to come join you. Visit <https://aa.org.nz/event/63rd-annual-convention/>

FEBRUARY BOARD NEWS...

CONFERENCE 2025 IS GO!

We are especially grateful to the willing and enthusiastic members who saw our S>O>S, responded to the request for help, stepped up with open minds and hearts to be our new Conference Committee. Thanks to their efforts the 2025 Conference is off the ground. Woo hoo! They have committed to service continuity and succession planning, nurturing new members into roles with support from experienced members. Conference is at the Friary across the dates of 5 - 8 June and all our Conference Reports are due to the committee on **March 23rd**.

Our Exec Budget Committee has been working for the past 5 months behind the scenes to bring to our website a payment gateway. It will support both an online bookstore and online contributions from members. There is still more work to do before it goes live, and we are thrilled to be making steady progress on this priority goal.

Board Vision & Mission

The Board sets a vision & mission with a list of priorities to focus on. We keep this front of mind by having it on the wall at Board meetings.

PUBLIC OUTREACH QUESTIONS:

Our National Public Outreach Chair asks: Does your Area have a PO coordinator? Does your Area have a budget for PO? Do you know what the PO Strategic plan is? Reach out to your Area Delegate to answer these questions.
