COMMON WELFARE: This text box is way too small to tell you the intricate details of our Service Conference. You'll have to ask the Area Delegates, but we can tell you we learnt all about the Budget, which we approved, we heard about current PO projects, heard about the IAGSM outcomes and new tools. Think about inviting the IAGSM Delegates to your Area to share their service journey to WSO directly with your Area! The Conference Summary will be out later in the year for all AFG members to read.

JUNE BOARD NEWS...

Conference Goal and Theme

Our Area Delegates and 3 Board members made up the voting members of Conference. Together they listened, sought to understand, heard each other, discussed and voted on our 2026 Conference Theme, and the Conference Goal that we each take forward into 2025/26.

A future Board Road Trip destination was suggested too! (after Area 4 in 2025).

It was also raised that a future online Road Trip for all members to attend face to face would be worthwhile and beneficial.

2026 Conference Theme

Our Path to Grace,
Unity and Understanding.

Conference Goal

Growth begins at the
Group level.

Board Road Trip
! Area One!

HEARTFELT THANKS

All Conference Members offer our grateful thanks to the Conference Committee and its sub-committees who worked together so diligently to bring Conference 25 to fruition.

CIRCLE OF HOPE

While we may have been at our annual Service Conference, focused and ready to get to work, we still made time to connect as members. We held optional meditation meetings and sharing meetings at the start of each day. These meetings gave us a chance to be of service to one another, sit together in contemplation, shoulder to shoulder and to connect through mutual understanding and respect.

Desperately Seeking Regional Board Members

We welcome our newly elected Board Chair Liz A. Her #1 priority is to remind us that we have a **missing link** in our service structure that **URGENTLY** needs addressing - we desperately need a **CENTRAL** & a **SOUTHERN** Regional Board member. Please reach out to the Board Chair for an open minded and friendly chat about the role.
